

The Bodhi Mirror Presents

Ven. Khuu Thanh Thuyen

Joining with Sangha members from seven countries, Ven. Khuu Thanh Thuyen acted as Third Certifying Acharya at the 1982 transmission of the Complete Precepts held at the City of 10,000 Buddhas. Ven. Thuyen is originally from Vietnam and now resides in a temple in San Francisco's Chinatown. Bhikshus of both the Mahayana and Therayada traditions joined in the solemn and awe-inspiring Karmavachana which culminated in the full ordination transmission of Precepts. Ven. Thuyen was one of thirteen Certifying Masters to witness the transmission, an impressive and elaborate ritual which inaugurated the newly completed Precept Platform in the Precept Hall at the City.

Receive and uphold the Precepts with utmost reverence.

Once you have received and upheld them,

Then transmit and teach them to living beings.
