

人生一場夢，人死夢一場；  
夢裡身榮貴，夢醒在窮鄉。  
朝朝是作夢，不覺夢黃梁；  
夢中若不覺，枉作夢一場。

*Life is but a dream, and death a dream as well.*

*In the dream, we are rich and honored;*

*Upon waking, we find ourselves in poverty.*

*Day after day we dream,*

*Not realizing how fleeting is a dream.*

*If we don't awaken from our dream,*

*We will have dreamed in vain!*
