## 將學校午餐中黃豆類食品亦列為蛋白質食物

如果社會公眾支持的話，美國農業部將提出下列方案，並依法通過。您若贊同的話，請將下列書信簽名後，投書或以空中網路，送至下列英文地址：

葛里曼先生：

我對我們國家學童，在美國農業部提供的學校午餐中，能否得到有益健康的低脂肪飲食，十分關懷。黃豆中含有優質蛋白質，沒有肉類蛋白質中的脂肪及膽固醇，並且價格低廉。因此我們請您儘速通過「給與黃豆類蛋白質食物百分之百抵償地位」之方案。

## LEND YOUR SUPPORT

### Make Soy Count as a Protein in School Lunches

There is a bill which is ready to be released by the USDA and published as law if there is enough public support.

Would you like to lend your support by signing and mailing or e-mailing the following letter?

Daniel R. Glickman, Secretary of Agriculture

Dear Mr. Glickman,

I am very concerned that our nation's schoolchildren have access to healthful, lowfat meals through the USDA School Lunch Program. Soy protein is an excellent and inexpensive means of providing high quality protein without the saturated fat or cholesterol found in meat. For this reason, I am writing to urge you to immediately release and publish the law that would give soy protein a 100% reimbursable status for USDA school meals. Thank you very much for your immediate attention to this important issue.

Sincerely,
