

真逆流

惜陰寡交遊 直言使人愁
不結恩怨緣 乃是真逆流
純陽養浩然 光明照大千
普度法界性 同出輪迴圈

宣公上人作於一九八七年四月二日

Truly go against the flow.

*Cherish time and make few acquaintances.
Straight talk just worries people.
Create neither positive nor negative affinities.
This is to truly go against the flow.
Purely nurture upright energy,
Let your brightness shine in the great thousand worlds.
Universally liberate all beings in the Dharma Realm;
Escape from the wheel of reincarnation together!*
