

仁隱者

萬峰迴繞一峰深，到此常修苦行心；
自掃雪中歸鹿跡，天明恐有獵人尋。

— 唐陸甫皇作

The Kind-hearted Hermit

-- Lu Fuhuang (Tang Dynasty)

Around this lonely mountain top myriad peaks revolve,
I've come to cultivate ascetic's disciplined resolve,
I take my broom and sweep away the deer's tracks in the snow;
The deer passed by, but in the morning, hunters will not know.
