

# The Joy of Home and Garden

-- Ye Tangfu (Ming Dynasty)

My home in the village on the river at sunset,  
At the bend the current flows past my slat door,  
I planted the pine tree and now its taller than the house,  
I loaned it to the spring birds, to raise their children and grandchildren.

## 田園樂 —明 葉唐夫

家住夕陽江上村  
一灣流水遶柴門  
種來松樹高於屋  
借與春禽養子孫
