

慶生

好生之德本乎天，物物貪生樂自全；
我要長年千歲祝，不教物命一朝延。

——唐 白居易

Enjoying Life

— Bai Juyi (Tang Dynasty)

Heaven prefers life, it's true.
Every creature loves its life and wants to stay alive.
If we want to see our hundredth birthday,
Do not shorten the life span of others.
