DRBA has uploaded the voice files of Venerable Master's Dharma talks to DRBA's Chinese website. We welcome readers visit the site to browse, listen to or download the files. (Please select "listen online" from the table of contents on the left.) The text files for the talks are still under construction and will be uploaded as they become available. The three major Mahayana sutras: the *Sburangama Sutra*, the *Lotus Sutra*, and the *Avatamsaka Sutra* as well as many shorter sutras will be uploaded to the website as they become complete. The English website uploads will be synchronized with the Chinese website work schedule, so that English translations of the talks will also be available later. Readers will be updated as progress is made.
