

# 人人成佛的開始

## A Place Where Everyone Begins to Realize Buddhahood

萬佛城將來是世界佛教的一個道場，也是世界的佛教發源地，也是世界人類、佛教人類共同的歸宿處、共同的皈依處，所以我們在萬佛城用功修行的人，一定要老老實實、腳踏實地，拿出來一份的真心來用功。萬佛城現在等著人開悟，等著人證果，等著人來修行——要真正的修行。萬佛城就是正法的一個開始，萬佛城就是人人成佛的開始的一個道場。所以到了萬佛城，早晚要成佛的；到了萬佛城，決定要成佛的，因為這兒就是給佛預備的。

In the future, the City of Ten Thousand Buddhas (CTTB) will be a monastery for Buddhism in the world, a source of Buddhism in the world, a common home, a common refuge for people in the world and in Buddhism. Therefore, we cultivators in CTTB must work hard, must be honest, and must bring forth a genuine resolve to cultivate steadfastly. Now CTTB is waiting for people to get enlightened, to realize sagehood, and to genuinely cultivate. CTTB is a monastery, a place where the proper Dharma begins, where everyone begins their realization of Buddhahood.

People who come to CTTB must attain Buddhahood; those who come to CTTB will sooner or later attain Buddhahood; those who come to CTTB will definitely achieve Buddhahood in the near future, because this is a place ready for Buddhas.
