

從地湧出妙覺山

Out of the Earth It Emerges: Wonderful Enlightenment Mountain

三千世界一念間 小中現大別有天
瑜伽風吹芬芳笑 達摩雨潤草木欣
喜捨無量饒益眾 慈悲有願苦樂全
屢變土田說大法 從地湧出妙覺山

宣公上人一九七八年四月二十日作

The three thousand great thousand worlds arise in a single thought.
When the great manifests within the small, another world is reached.
As the breeze blows through Ukiah, fragrant flowers smile.
When it rains in Talmage, moistened plants rejoice.
With boundless joy and giving, bring benefit to the multitudes.
With vows of kindness and compassion, alleviate suffering and bestow happiness.
The constant changes of the land are speaking the great Dharma.
Wonderful Enlightenment Mountain wells forth from the earth.
