

# 萬佛聖城氣象萬千

*Abundance of Rejuvenating  
Energy at the City*

最近，有位法師提到在十幾年前某個法會上，她問與會人士有誰去過萬佛城？有一女眾說：「我去過！但老實說，萬佛城只是一些破舊的建築物！」

有位老弟子自1982年就未回萬佛城，這次回來參加聖城開光30週年紀念慶典，他去看書展說道：「萬佛聖城不一樣了！」

*Recently, a Dharma Master said that she was in a Dharma Assembly over 10 years ago. She asked the participants, "Who's been to CTTB?" A woman answered, "I've been there. But to tell you the truth, CTTB is just a bunch of old, broken buildings!"*

*One of the senior lay disciples, who had not returned to CTTB since 1982, came back for the 30th anniversary celebration. When he went to the Book Fair, he commented, "The City of Ten Thousand Buddhas is different now!"*
