

# 萬佛聖城的 建築

## — 無中現有，全憑真誠

城內的一磚一瓦，記錄著工程部門人員和義工們貢獻智慧、經驗及精力，如何無中現有、建設萬佛聖城的故事，也令人對其過程的華路藍縷升起無限的敬意與感恩。

From every brick or shingle in the City, one could feel how the workers and volunteers in the Buildings and Grounds department have their wisdom, experiences and energy to establish CTTB out of nothing. Their hardship and toil in creating the City evoke our respect and gratitude.
