前集提示：

一九六二年三月二十八日上人為救眾生離苦得樂，來美國弘揚佛法。今(二〇一二年)正是上人傳法西方五十年，本刊將從一月號做一系列報導，首先介紹上人的教化。

一、上人的教化(續)

從以下幾位弟子所述，可知這位東方來的和尚為教化西方人而付出的努力，其精進度、深度、廣度，實在是難以想像的。

On March 28, 1962, in order to help beings leave suffering and attain bliss, the Venerable Master came to America to propagate Buddhadharma. This year (2012) is the 50th anniversary of the Venerable Master's bringing the Dharma to the West. For this reason, we are publishing a series of articles starting from this issue (January issue). First we will introduce the Master's teaching.

1. What the Master Taught (Continued)

From the following stories shared by several disciples, we realize that the vigor, depth, and breadth of the Master's efforts in teaching the Dharma in the West are nothing short of incredible.
