

弟子：弟子願意每天循例誦經，培養這種良好的習慣。請上人開示正當的方法。

宣公上人：應該先燃香，唱香讚，誦開經偈。要恭謹行事，毫不苟且。總之，一分誠心，則有一分感應；十分誠心，則有十分感應。

Disciple: I would like to establish the good habit of reciting sutras everyday. Would the Master please share some instructions on the proper method for doing so?

Venerable Master Hua: You should first light incense, sing the Incense Praise, and then, recite the Verse to Open A Sutra. You should do so reverently, not being the least bit casual. In short, one part sincerity will result in one part response. Ten parts of sincerity will yield ten parts of response.
