

如果用貪、瞋、癡三毒來處理事情的話，就會天昏地暗，發生災難。如果用戒、定、慧來處理事情，天會清、地會寧，發生吉祥。

——宣公上人法語

If we act based on the three poisons of greed, anger, and delusion, the world will be enveloped in darkness and disasters will occur. On the contrary, if we act based on precepts, samadhi, and wisdom, the sky will be clear, the earth will be peaceful, and auspiciousness will pervade throughout.
