

一朵蓮含一聖胎。一生功就一花開。
稱身瓔珞隨心現。盈器酥醃逐念來。
金殿有光吞日月。玉樓無地著塵埃。
法王為我談真諦。直得虛空笑滿腮。

Within each lotus resides a sagely foetus;
In one lifetime, merit is perfected and the flower opens.
Bespoke jewelled ornaments manifest accordingly as wished;
Bowls of delightful delicacies appear spontaneously by thought.
Golden halls emit a brilliant light that engulfs the sun and moon;
Jade towers offer views of the land entirely devoid of dust.
The Dharma King explains to me the Absolute Truth;
Even empty space is all smiles!
