

夫盛必有衰
合會有別離
壯年不久停
盛色病所侵
命為死所吞
無有法常者

《大般涅槃經》

*Whatever flourishes must have decay.
Every union entails separation.
The prime of one's life does not last long.
Health is encroached upon by illness.
Life is swallowed up by death.
There are no dharmas that last forever.*
